### GMO-FREE DECLARATION

We declare that the products which we deliver do not contain genetically modified organisms and that they were not obtained from genetically modified crops. Our products comply with the rules (EG) 1829/2003 and (EG) 1830/2003, and because of that need no further labelling.

### IONISING RADIATION

The product has not undergone any ionising treatment.

### DECLARATION

We declare that the product complies with the relevant national and/or European food legislation. Aspects such as raw material variations and availability can slightly affect the composition of the product. We reserve the right to make adjustments to the product and its specification as part of technological progress, product development, a change in the ingredients or in the legislation. The information is up to date and correct to the best of our knowledge.
